## MESSAGE FROM THE EAST

As this is my first official message from the East as your Master of Blue Hill Lodge, I'd like to take a moment to sincerely thank all of you for your inspiration and continued support without which I would be lost in a sea of empty tasks. You give me, as your humble servant, meaning, and my work, no . . . OUR work, significance.

At our October Communication, we welcomed two new friends and Brothers, Bartholomew Ejike George and Joseph Edward Nee, Sr., to our ancient fraternity as Entered Apprentices. As this is the beginning of their journey through life as Masons, let's all welcome them with the friendship and brotherly love of our Fraternity and show them that their first step in Freemasonry is only the beginning of a real life with real meaning.

Speaking of which, I found myself at the gravesite of our esteemed and long departed Brother, Paul Revere, this evening while on a night-time tour through gravesites in Boston. I couldn't help but notice that as the interpreter (*that's what they call tour guides these days*) talked about the great qualities of Bro. Revere, he was particularly remembered as a Freemason. Upon my reflection on this, I started thinking that after we each return to that "House Not Made with Hands" where the Grand Architect of the Universe resides, won't we too, want to have lived a life whereby the role of Masonry in the shaping of our lives and accomplishments is remembered? I know I do.

Lastly, I'd like to remind all by Brothers that Blue Hill Lodge will be holding a (hopefully annual) MY CHIP Event on Saturday, November 8<sup>th</sup>, at the Canton Health Fair, and that there is still a great need for more volunteers to lend a hand . . . and to have some fun while we are at it. There have already been a number of men who have stepped up to this task and to them I say "thank-you". This is a great event for our Fraternity to show the community our mettle. And it's a great time to work together with our Brethren on a worthwhile project. Please let me know if you can help.

This year, let's communicate to the community the message, "Blue Hill Lodge: We're at your service".

Fraternally, Wor. John Ciccotelli, Master
