MESSAGE FROM THE WEST

I don't know about you, but I'm awfully encouraged about the prospects for a remarkable Masonic Year at Blue Hill Lodge. At our September Meeting, although we had no degree work to conduct, and nothing particularly pressing relating to the business of the Lodge, we still had a wonderful full house on the sidelines including three visiting Masons from other Lodges. And although we accomplished some serious work at our first rehearsal, we also had fun and a few laughs while we were at it. It is a good sign of things to come.

As we begin the new Masonic year, our finances seem to be sound (thanks in large part to the hard work of financial wizards among us – you know who you are) leaving us more able to concentrate on carrying out our Masonic Mission: increasing membership, serving our community, assisting those who need our help, and exercising our friendship and brotherly love toward each other. It's a good place to be.

It seems as though we have a busy agenda already for the start of the year and a dedicated group of Brothers ready and willing to implement it. There's a Canton Block Party Parade, the Square and Compasses Day Open House, the Installation of Officers, and the MY CHIP Event, just to name a few. And that only takes us to the beginning of November! We have had volunteers come forward for each of these events, but there is still room for more. So please come on out and fraternize with your Brethren while at the same time promoting our Lodge in our community, as well as achieving a sense of personal satisfaction. It is my sincere hope for those of us able to take part in all or some of these events, that we come away with the feeling of accomplishment and, as importantly, that we had fun. This is the year that Blue Hill Lodge will make its mission and its presence felt.

fraternally, Bro. John Ciccotelli, *Master-Elect*
